Subject: PFAS Hot Issues for incoming RA DWB WPD.docx
Attachments: PFAS Hot Issues for incoming RA DWB WPD.docx

Tom, Bob: Attached are write-ups for the incoming RA hot issues list. We did not include write-ups for the following:

PFAS site: Fentress, Dover, Newark, Wallops/NASA - HSCD will cover these

PFAS sites: Harrisburg, PA or Martinsburg, WV – these are state lead sites that we have not been working on.

We'll get you something on the Hampton Roads Sanitary District in the morning.

Rick
